

Product description:

Flange standard: JIS B 2220-2004

Rating: JIS30K

Port size: 15A

Test and inspection: API598

RF end ,OS&Y, Rising Stem

Forged globe valve body: A182 F304

Main material list:

Body:A182 F304+ HF

Disk:SS304

Shaft:SS304

Bonnet:A182 F304

Packing: R-PTFE

Gasket: R-PTFE

Cowinns forged JIS standard globe valve could be used in widely mediums.

A182 F304 body material could resistant for corrosion mediums
