

## Design features

Design standard :API 600

End connection standard: ASME B16.5

Inspection and test: API598

internal and external coating with 250 microns epoxy resin for potable water

## Material list of main parts:

1.body: ASTM A216-WCB

2.bonnet:ASTM A216-WCB

3.wedge:ASTM A216 WCB/CR13 overlay

4.Gland flange: ASTM A216 WCB

5.seat ring: ASTM A105N/STL. overlay

6.stem:ASTM A182 F6a

7.back seat: ASTN A276 420
